PROFILE

A proactive and technically adept professional seeking a full-time opportunity as a Full Stack Developer. Eager to leverage hands-on experience in MERN full stack developer and support roles to contribute to innovative projects. Committed to continuous learning, problem-solving, and staying updated with cutting-edge technologies.

WORK EXPERIENCE

Full Stack Developer- Intern   SEP 2024 – PRESENT
WHY Global Services

Work Experience

- Gaining hands-on experience in MERN Full Stack Developer, focusing on React, Node.js, Express.js and MongoDB.
- Developed interactive and responsive web applications using React, JavaScript.
- Optimized front-end performance, ensuring seamless user experience across devices.
- Worked closely with designers and backend developers to implement pixel-perfect UI/UX designs.

PROJECTS

Bus Booking Application

- Developed a modern bus booking platform with an intuitive and responsive UI/UX.
- Implemented authentication, authorization, and role-based access control for security.
- Integrated JWT authentication for secure user access and data protection.
- Designed interactive dashboards with real-time data visualization for better insights.
- Ensured a seamless booking experience with optimized performance and usability.
- Built a user-friendly interface for both passengers and administrators.
- Utilized Tailwind CSS for a sleek and responsive design.
- **Technologies:** MERN Stack (MongoDB, Express, React, Node.js), Tailwind CSS, JWT Authentication.

Flight Ticket Booking Application (UI/UX)

- Designed a user-friendly and responsive flight booking interface in Figma.
- Created interactive wireframes, prototypes, and optimized the booking flow.
- Focused on accessibility, visual hierarchy, and seamless user experience.
- **Technologies:** UI/UX - Figma

COURSE CERTIFICATION

September 2024

WHY TAP - MERN
Full stack Development
